- Test and verify equipment prior to outbound delivery to ensure it is ready for use
- Maintain warehouse organization and cleanliness
- Follow all safety standards and procedures
- Assist with documentation and basic recordkeeping
- Support field operations by assisting technicians on site with equipment handling, as needed

### Requirements:

- Reliable and punctual
- Comfortable working in a warehouse environment
- Ability to lift and handle equipment safely (up to 75 lbs)
- Basic measurement skills (metric and imperial)
- Education: Secondary School (required)
- Positive attitude and willingness to learn
- Class G driver's license with a clean driving record (preferred)
- Previous warehouse or logistics experience (preferred, but not required)
- Full background check - Criminal, driver's abstract and credit

### Compensation & Benefits:

- Competitive hourly rate: \$18–\$24/hour (based on experience)
- Paid time off
- Health, vision, and dental benefits after the probationary period
- Training provided
- Opportunity for growth within operations, logistics, and field support
